ENGINEER'S STATEMENT

THE EXISTING WATER DISTRIBUTION SYSTEM AS ILLUSTRATED BY THIS MAP WAS DERIVED FROM A PHOTOGRAMMETRIC MAP OF THE SEELEY COUNTY WATER SERVICE AREA AS WELL AS ASBUILT INFORMATION AND FIELD VERIFICATION. THIS MAP CAN BE UTILIZED FOR THE PREPARATION OF OTHER INFRASTRUCTURE OR PLANNING MAPS. THE WATER DISTRIBUTION SYSTEM AS ILLUSTRATED BY THIS MAP WAS PREPARED AFTER A FIELD INVESTIGATION WAS COMPLETED IN MAY OF 2017. A LIST OF METERED CUSTOMERS IS NOTED ON THIS MAP. THIS MAP WAS NOT PREPARED TO ACCURATELY DEPICT THE CITY STREET SYSTEM INFRASTRUCTURE, CITY LIMITS, CITY RIGHT OF WAY, CITY SANITARY SEWER SYSTEM, PUBLIC UTILITIES (OTHER THAN THE DOMESTIC WATER SYSTEM) OR ANY OTHER INFRASTRUCTURE OR BOUNDARY AND IS PROHIBITED FROM BEING UTILIZED FOR THOSE PURPOSES. THIS MAP IS NOT TO BE ALTERED UNLESS WRITTEN APPROVAL IS RECEIVED FROM THE SEELEY COUNTY WATER DISTRICT.
