Coming Soon to the Community of Seeley: Advanced Metering Infrastructure

Smart AMI Water Meters
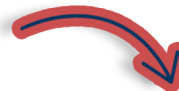

▸ Remote meter reading

▸ Accurate water consumption reports by the hour

▸ Early leak detection to reduce water loss

▸ Integrated with Dropcountr app and billing system

▸ No cost to customers and no significant water disruption

Dropcountr Customer Portal

(Application that is integrated with your smart water meter)

▸ Track your water usage (daily, weekly, and monthly)

▸ Personalized notifications and reports about your water

▸ Encourages efficient water use

▸ Direct web-link to pay your bill

▸ Available on iOS, Android, and Web devices

Water meter records data

Data collected via radio frequency

Data sent to SCWD & customer
